LESSONS LEARNED-

-We need to do everything we can to make school fun for our students.

-Our work is a moral endeavor.

-Deficit Thinking is at the center of what has failed our students and community.

-Jed Smith has involved, supportive parents.

YEAR TWO-

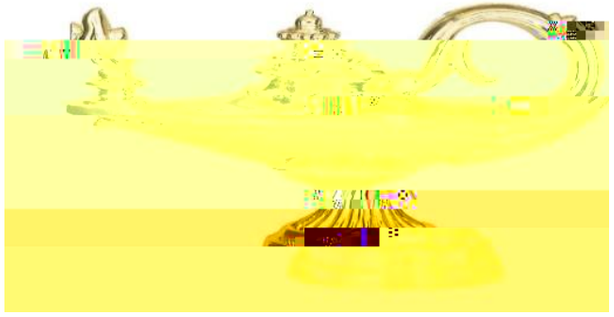
-Full Implementation of PBIS

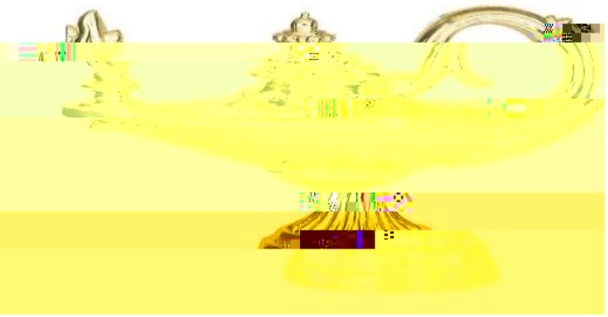
-Extend from one showcase to three showcases

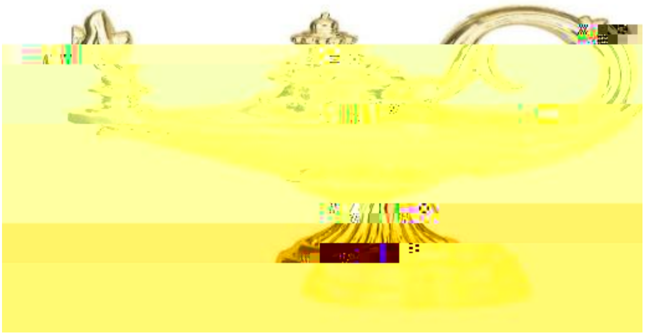
-Full Implementation of Inclusion

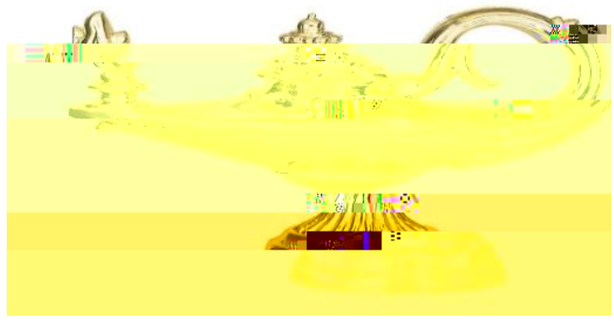
-

Creating a Culture of Excellence









It is not the obstacles that stop us.

It is the psychological reactions to the obstacles that stop us

Career And College-ready Students

A New Era of Excellence
