5.3.5 The Architect shall submit to the District a preliminaryroje **G**onstruction Cost based on current area, volume and other unit costs.

5.4 Design Development Phase

5.4.1 Following District **\$** written approval of the chematic design documents, including the estimate of Project Construction Castd schedule Architect shall provide all necessary architectural and engineering services prepareGHVLJQ GHYHORSPHQW GRFXPHQWV IRU WI which fix and describe the size and character of the project and which shall include, but are not timited site and floor plans, elevations and other approved drawings and shall outline the specifications of the entire Project as to kind and quality of materials, categories of proposed work such as architectural, structural, mechanical and electrical systetypes of structures and all such other work as may be required. During the design development phase, Architect will keep the Project within all budget and scope constraints set by the District. The design development documents shall represent rapide c design. The design development documents shall include a revised Project Construction Cost, and a revised construction schedule. The revised Project Construction Cost shall be based on current area, volume and other unit costs. The revised PFoyler & RQVWUXFWLRQ & RVW VKDOO FR construction cost budget and shall include reasonable contingencies for all construction and construction PDQDJHPHQW ZRUN DQG WKH UHYLVHG FRQVWUXFWdLRQ VFKH completion deadline requirements. Nevertheless, Architect is encouraged to make recommendations to 'LVWULFW UHJDUGLQJ DGGLWLRQDO EHQHILWV WKDW FRXOG B cost budget or completion deadlines. If Distincorporates any recommended changes or otherwise does not approve the submitted design development documents, then Architect shall revise the design development documents, including but not limited to the written statement of Project Construction Cost and written schedule for the performance of work, as necessal District approves them writing. If requested by the District UFKLWHFW VKDOO DWWHQG DQG SUHVHQW DW governing board as may be necessary to obstaiten approval of the design development documents.

5.4.2 The Architect shall assist the District and its consultants in the preparation and/or modification of the Storm Water Pollution Prevention Plan if any such plan is required for this Project.

5.4.3 Architect shall prepare necessary documents for and oversee the processing of District's application for and obtaining of required approvals from the DSA, the OPSC (if applicable), the California Department of Education, the State Fire Marshalloather agencies exercising jurisdiction over the Project. Architect shall also be responsible for the preparation and submission of any required applications, notices or certificates to public agencies as required by law. Architect shall provide a copy of all such documents to the District.

5.4.4 The Architect shall advise the District of any adjustments to the preliminary Project Construction Cost.

5.4.5 Architect shall identify areas of construction for which unit pricing shall be required as path the Contractor's bid.

5.4.6 Architect shall provide at no expense to the District one complete set of preliminary plans for the review and written approval of the District and one set for each public agency having approval authority over such plators their review and approval at no expense to the District.

5.5 Contract Documents Phase

5.5.1 Following the District^{\$} written approval of the design development documents, including the Project Construction Cost and construction sched, utlee Architect shall prepate on tract Documents consisting of 100% complete working drawings and specification setting for the work to

be donen detail sufficient for constructionincluding but not limited to the materials, workmanship, finishes and equipment required for the architectural, structural, mechanical, electrical system and utility-serviceconnectel equipment and site workArchitect shall ensure that the drawings and specifications are, among other things, complete, accurate, and coordinated so as to eliminate errors, omissions and conflicts, especially between the work of a subconsultant ansubtconsultants or the Architect; and Architect may not shift its responsibility for completeness, accuracy and coordination to the Contractor, except on a clearly designated des update the construction schedule *and* Project Construction Cost for Distratory proval. The Contract Documents shall conform to, comply with, and satisfy all applicable Federal, State and local laws, including but not limited to statutes, decisions, regulations, building or other ordinances, DQG WKH \$PHULFDQV ZLWK 'LVDELOLWLHV \$FW FKDUWHUV Architect shall prepare an accurate set of drawings indicating dimensions and locations of existing buried utility lines, which shall be included time bid packages. If the project is intended to be split into multiple prime contracts, then the Contract Documents shall be structured in order to maximize the ability to create multiple prime bid packages for the Project, and shall identify the bid packages for the Project. be created.

5.5.2 Architect shall consult with and involve the District in development obtde documents and bid package and shall forward them to the District for written approval prior to their use. If the District is using a multipleripme delivery method for the Project with multiple bid packages, then Architect shall consult with and involve the District in identification and development of the bid documents and bid packages, and shall forward them to the District for written approval prior to their use.

5.5.3 Prior to submission of the Contract Documents to DSA for plan check, the Architect shall submit the Contract Documents to the District for an opportunity to review them for various issues, including but not limited to constructabision equipation, generadompleteness, clarity, consistency, coordination, coeffectiveness, value engineering, identification of possible add/delete bid alternatives, time of construction, and suitability for separation of the Project design, plans and specifications into bid ackages for various categories and/or portions of the work. However, such review by District is not required addition, and prior to submission of the Contract Documents to DSA for plan check, Architect shall advise the District of all elements of the 3 U R M H F W R U O D Z I X O O \ L P S R V H G X S R Q W K H 3 U R M H F W E \ W K H

5.5.4 After approval by the Districand any constructability review, he Architect shall submit the Contract Documents to DSA for polaeck, and make the necessary corrections to secure DSA approval.

5.55 The Architect shall give the District, at the time of DSA approval of the final form of the Contract Documents, Architectinal estimate of Project Construction Castd construction schedule, which shall be given final written approval by District along with the Contract Documents area, volume and other unit costs, and on a mutually acceptable recognize in builds tindex, and shall include a reasonable contingency. In preparing the revised estimate of Project Construction cost and construction schedule for the Contract Documents, the Architect shall consult with and involve the District in the process to minimize accuracy and completeness. If the District is intending to enter multiple prime contracts, the Project Construction Cost shall include separate bid estimates for each bid package, plus a reasonable contingency; and the construction schedule fact that

installations pursuant to Government Code section 42159 The Architect may delegate this responsibility to Contractorif such power to delegate was included in the Contract Documents and

and the change order work necessitated by the ngful Act or Omission, W L V W K H S D U W L H V the District should pay no more than what the District would have paid if the Wrongful Act or Omission had not occurred

5.7.20.2 In addition, Architect shall be responsible foryaother costs or damages which the District incurs as a result of Wrongful Acts or Omissions including but not limited to any delay damages the District payson cannot collect from, Contractor any third party.

The District may backchargend withhold payment from Architect for these costs and mages and may seek reimbursement for any amount which exceeds any retention of the contract amount at the time of collection. : K H Q 'L V W U L F W V R E D F N F K D U J H V D Q G D is thidt with K R O G V Architect shall meet achconfer in good faith in an effort to reach agreement on (a) whether a Wrongful Act or Omission occurred, (b) whether it caused the change order expense, (c) what damages have been incurred by District, and (d) what portion of the damages are attributed by the fitted to as described above. If District and Architect do not reach agreement on all four of these items when meeting and conferring, then District and Architect shall use mediation in good faith to resolve the dispute. If mediation fails, then eith compliance with the foregoing standards, Architect shall have a duty immediately to notify the District in writing of the possible nonompliance.

5.8 <u>Close Out Phase</u>

5.8.1 Architect will assist the District with securing all documents necessary to achieve DSA certification or formal close out of project.

5.9 Use of Previously Prepared Materials

In the event that there exist previously prepared designs, **spars**ifications, studies, drawings, estimates or other documents, or any other works of authorship fixed in any tangible medium of expression, including but not limited to physical drawings, data magnetically or otherwise recorded on computer disks, or ber writings, that were prepared by design professionals other than Architect, whether supplied by District or by Architect, which are relied upon, altered or otherwise utilized by Architect, Architect shall be responsible for giving appropriate recognitiosuch other design professionals in any materials prepared by Architect pursuant to this Agreement.

ARTICLE 6

ADDITIONAL SERVICES TO BE RENDERED BY ARCHITECT

6.2.6 P

7.8 P

through the date of terminatio(h) such Basic or Additional Services performed, and Reimbursable Expenses incurred, after termination which are authorizy the Districtand (c) any costs incurred by reason of such termination ulless any amounts the District is entitled to withhold under law or this Agreement Upon the District

shall not affect the validity of such license in relation to this Projectuding but not limited to any repair, maintenance, renovation, modernization or other alterations to this Project) under Education Code Section 17316. Architect shall promptly make any such documents or materials available to the District upon request without additionance.

12.3.2 In the event of the termination of this Agreement for any reason whatsoever, all designs, plans, specifications, studies, drawings, estimates or other documents, or any other works of authorship fixed in any tangible medium of expsion, including but not limited to physical drawings, data magnetically or otherwise recorded on computer disks, or other writings prepared or caused to be prepared by the Architect or any of its agents pursuant to this Agreement shall immediately upon request by the District be delivered to the District. Architect may not refuse to provide such writings or materials for any reason whatsoever, including but not limited to a possessory interest lien for any claim the Architect may have against the District a claim by the Architect to an ownership interest in the intellectual property embodied in the documents or materials.

ARTICLE 13

ARCHITECT AN INDEPENDENT CONTRACTOR
