**Sacramento City Unified School District  
BOARD OF EDUCATION  
MEETING AND WORKSHOP**

Board of Education Members

*c) Initiation of litigation pursuant to subdivision (d)(4) of Government Code section 54956.9: two (2) potential cases*

*3.2 Government Code 54957.6 (a) and (b) Negotiations/Collective Bargaining CSA, SCTA, SEIU,*

Requested for slide 10 of the PowerPoint to be sent out in bigger font. It is not legible on screen or paper. Would really like to know what the counselor's schedules are and how those are being caught by counselors. Wants to see path to make sure we are catching students falling behind.

Member Ryan appreciates ability to outline impetus for this work. Clearly we as a Board were outraged and dismayed when the California Department of Education released

of what has been the impact of that time. There are some things that are more difficult to dollarize, there's also some sense of scaling within that can happen and maybe things aren't as expensive as we think they might be. Vincent Harris responds, he agrees with Dr. Taylor's points 100%.

Member Ryan wants to echo the sentiments of Board members and thank our task force members for their significant time and energy that they dedicated to this work. As well as our staff, we are so appreciative of your efforts. Liz Guillen really identified that this should be aligned with LCAP as a strategic mechanism for making future investments. Even though we recommendations were scaled back somewhat, we do have 50 plus recommendations by each category. One suggestion that would be extremely helpful to us is we try to prioritize the investments we make and the work we move forward with would be to have a rubric to outline some of the high impact recommendations that are assessed to be low cost and a timeline for onboarding those first. Also a more detailed sense of a timeline for the high impact more costly recommendations and how we might be able to phase them in as we continue to make budgetary choices. Given the amount of time and energy that we've asked our task force members to commit to, would like some firmer language brought back to the Board around how we will be implementing some the assessments and recommendations that we prioritize in the coming months. So we can, in good faith, tell our Task Force Members here are the recommendations that we prioritize in the coming months.

President Ryan wants to thank the staff for the tireless time that they put into negotiating this contract.

Appreciates the willingness of partners to engage as well. In particular, the leadership of the Superintendent and Mayor Steinberg.

Vice President Woo wants to thank staff, labor partners, everybody involved and CAC members who relentlessly brought it before us that we need to amend Appendix D. Glad when looking at this contract, we started from the beginning. We have a whole new contract, not one with pieces here and there filled in. We have a contract from front to end that will serve as a model for future years.

Cecile Nunley

Board Comments:  
2<sup>nd</sup> Vice President Minnick an ongoing concern has been how the schedule of the LCAP Committee aligns with the Budget Committee where they approve the LCAP recommendations at the same time as the budget. We should have plenty of time between the final LCAP recommendations and approval of the budget. Superintendent Aguilar responds that they have begun the process of laying out the timeline so that LCAP does align with the budget process giving the Board plenty of time to study.

Member Hansen motion to approve

Member Pritchett 2<sup>nd</sup>
