three options to assist districts with cash flow. Another fund in the district (Child Development) can "borrow" those funds to get through a dry period. In the past, however, cash reserves in other funds have not been enough to cover the General Fund by the end of this fiscal year. The County can provide cash from the County. From July through the end of the fiscal year, the County can provide cash to the district's negative cash, up to 85% of anticipated cash flow by that last Monday in April, through May 1st. Dry-period financing is automatically activated on the last Monday in April. The third option available to districts is a Tax Revenue Anticipation Note (TRAN).

A TRAN is a short-term, tax-exempt, interest-

that may be pledged to the payment of the note or notes; any note issued pursuant to this article shall be a general obligation of the local agency; note or notes shall not exceed 85 percent of the estimated amount of uncollected taxes, income, revenue, cash receipts and other moneys.

- Education Code Section 42133 which states "a school district that has a qualified or negative certification in any fiscal year may not issue, in that fiscal year or in the next succeeding fiscal year, certificates of participation, tax anticipation notes, revenue bonds, or any other debt instruments that do not require the approval of the voters of the district, nor may the district cause an information report regarding the debt instrument to be submitted pursuant to subdivision (e) of Section 149 of Title 26 of the United States Code, unless the county superintendent of schools determines pursuant to criteria established by the Superintendent of Public Instruction, that the district's repayment of that indebtedness is probable."

III. BUDGET:

The District anticipates issuing \$26 million in notes coming due in September, 2014. The cost of issuance including the underwriter's discount is estimated to be \$270,000. An estimated amount of premium that will be generated is \$160,000 (assumes 2% coupon at .25% yield). The estimated net cost to the District is \$110,000, including interest and costs of issuance. These funds are included in the district's budget. The actual yield, discount and interest cost are dependent on market conditions at the time of sale and the District's credit rating.

IV. GOALS, OBJECTIVES AND MEASURES:

Generate cash through a Tax Revenue Anticipation Note in order to maintain a positive cash flow at June 30, 2014. Throughout the discussion of the district's financial plan, staff along with the district's financial advisor from Capitol Public Finance Group, have closely monitored cash and the potential of issuing a TRAN has been discussed with the Board in previous Board meetings.

V. MAJOR INITIATIVES:

- Maintain positive cash flow through June 30, 2014 until dry-period financing through the County Treasurer is available.

VI. RESULTS:

The successful marketing of the TRAN will address the potential impact of a negative cash flow at June 30, 2014. This is another step in addressing the district's short- and long-term financial plan.

2013-14 TAX AND REVENUE ANTICIPATION NOTES
PAYING AGENT AGREEMENT**

This Paying Agent Agreement (the “Agreement”), executed and entered into as of April 1, 2014, by and between the Sacramento City Unified School District (the “District”) and the County of Sacramento (the “County”);

W I T N E S S E T H:

WHEREAS, the District, by its Resolution No. ____ (the “Notes Resolution”) adopted by the Board of Education of the District on April 3, 2014, has authorized the issuance of the District’s 2013-14 Tax and Revenue Anticipation Notes (the “Notes) in an aggregate principal amount of \$_____; and

WHEREAS, the County, by Resolution No. 2014-____ adopted by the Board of Supervisors of the County on April 22, 2014, has appointed the Director of Finance of the County (the “Director of Finance”) to act as paying agent, registrar and transfer agent for the Notes, and the Director of Finance desires to accept such appointment; and

WHEREAS, the Board of Supervisors of the County and the Board of Education of the District have each authorized the execution and delivery of this Agreement with respect to the Notes;

NOW THEREFORE, the District and the County agree as follows:

1. The Director of Finance will act as Paying Agent, Registrar and Transfer Agent (collectively referred to as the “Paying Agent”) with respect to the Notes pursuant to the Notes Resolution. The Director of Finance will provide the District with the following services:

- a. Maintain records as to the identity of the registered owners of all the Notes;
- b. Effect transfers of registered ownership of Notes upon surrender of Notes to the County accompanied by such instruments of transfer and other documents as may be required;
- c. Cancel all Notes surrendered to the County for transfer or payment and dispose of such cancelled Notes at the written direction of the District;; and
- d. If the District notifies the Director of Finance of the loss, destruction or theft of any of the Notes, the Director of Finance will place a stop transfer order against such Notes and will take instructions from the District with respect to the issuance of any replacement Notes; provided, however, that the Director of Finance may rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction,

The Director of Finance shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, coupon or other paper or document, but in his/her discretion may make such further inquiry or investigation into such facts or matters as he/she may see fit. If the Director of Finance shall determine to make such further inquiry or investigation, he/she shall be entitled to examine the books and records of the District, personally or by agent or attorney.

8. The District shall reimburse the County for all actual costs incurred by County staff in connection with the Director of Finance's appointment as Paying Agent hereunder and for all County advances and expenditures, including, but not limited to advances to and fees and expenses of independent accountants or counsel employed by the Director of Finance in the exercise and performance of his/her powers and duties hereunder. The District shall indemnify, defend and save the County and its agents and employees harmless against losses, costs, expenses and liabilities, including fees and expenses of County attorneys which may incurred in the exercise and performance of the Director of Finance's powers and duties hereunder.

9. This Agreement shall remain in effect until the payment of all of the Notes and all funds are disbursed or until this Agreement is amended or terminated; provided, that this Agreement may be terminated by written notice of either party to the other.

10. If, at any time, the County shall determine to terminate this Agreement, then the Director of Finance shall, in his/her sole discretion, immediately appoint a successor paying agent to act as Paying Agent for the District with respect to the Notes; provided that, if an immediate successor cannot be found, then the replacement or resignation of the Director of Finance hereunder shall not take effect until such successor paying agent is able to assume the duties of Paying Agent under the Notes Resolution.

11. This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto hereby execute this Paying Agent Agreement as of the date first above written.
