- 4) Budget reductions or staffing formula changes – due to budgetary reductions and the potential change in staffing formulas, an increase or decrease of hours or elimination of a classified position may occur.

Prior to determining the layoff of classified employees, a review of vacant positions is conducted. That review enables Human Resource Services staff to assign a displaced employee to a vacant position; therefore, a layoff does not occur. If there are no vacancies, classified employees are noticed for layoff. Meetings with each classified bargaining unit will be scheduled to discuss the effects of layoff.

Under state law, Education Code §§ 45114, 45115, 45117, 45298, and 45308, school districts must provide not less than 60 days notice to classified employees of a layoff. The notice includes the effective date, displacement rights, and reemployment rights. Resolution No. 2876 and Exhibit A list the classified positions that will be laid off for the 2016-17 school year and thereafter.

The District will continue to identify alternative solutions to ensure the least or a minimal impact on employees of the District. As decisions are made regarding the District's budget for 2016-2017, additional funding may become available, new positions may be identified and/or positions that were eliminated may be reinstated.

Financial Considerations: Budget reductions needed to assist in addressing the District's declining enrollment.

LCAP Goal(s): Safe, Clean and Healthy Schools
