Recommendation: Approve revision to Board Policy 5113.

Background/Rationale: Education Code 48205 establishes the conditions under which students may be lawfully absent from school, including personal illness or injury. District students face mental health challenges throughout their education. In order to recognize the mental health issues of students and help reduce stigmatizing attitudes of prejudice and exclusion, revisions to the policies concerning absences and excuses are necessary and specifically, the definition of "health reasons" in the context of excused absences. No prior updates to BP 5113 have occurred since its adoption in 2002.
