*Board Comments:*

*Member Phillips asked if there is a requirement for teachers to participate in the DBDM cohort training. Ms. Baeta said it is not for every teacher right now, and next year they move into implementation. It is a train the trainer type program.*

*President Pritchett asked when the anti-racism P. E. training would be available. Ms. Baeta said there has been one session already and all nine modules have been sent through a link to all site leaders and central office team. President Pritchett thanked staff for the presentation. She said she appreciates all the public comments as well. She asked*

*that parents and students are aware of how safe the environment at the District schools will be. Ms. Gallegos outlined the ways that the District is communicating with students and families. Student Member Sheikh said he feels it is not responsible to delay opening schools.*

*Member Garcia thanked staff for their work and for the additional information on the ventilation and filtration system. She would like to see training similar to the anti-racist mandatory training made available to parents. She asked how the A/B scheduling groups takes into consideration siblings from the same family. Additionally, she asked to understand more about the instructional minutes. She also said she would like to hear this item at every board meeting, and she wants to have community sessions.*

*Member Rhodes said it is good to have the plan come out and that the community has an opportunity to participate. He asked what is the want versus the availability of the vaccine for staff and will rapid antigen testing be available at all sites when we start to re-open. Ms. Flores responded that nationally about 60 percent of people say they want the vaccine, and roughly that same amount of staff registered to get the vaccine. She also said the rapid antigen testing is being piloted.*

*Member Phillips asked if there will be vaccination centers at locations other than the Serna Center. Ms. Flores said currently no, but they are continuing to reach out to partners. Superintendent Aguilar thanked Dignity Health for the clinics at the Serna Center.*

*Board Comments:*

*Member Garcia asked about the status of the plan that was part of the CDE finding. Mr. Bozio said that a high level plan has been shared with CDE and that they have been provided with weekly updates. He said the other piece of the plan is to communicate with the families to gather more information about their needs and their students' ability to potentially conduct some of the assessments virtually and some in person. Member Garcia referred to contracting out for services in the CDE report, and she asked if other districts had an agreement to contract out this work. She would like to know how we get to conducting these assessments in a timely manner. Mr. Bozio responded by saying some districts are doing a combination of staff and contracting out; we are trying to catch up on 20 percent of the assessment backlog every month so that it will be 100 percent caught up by June and July, and it has been part of our plan and proposal to supplement out staff's work as needed. Superintendent Aguilar pointed out that this is an area that has to be negotiated. Member Garcia asked if there is a rationale as to why the current MOU being pursued is for Special Education assessments only and why ELPAC was not included. Mr. Bozio responded that the District did pass a proposal that basically followed the same outlines for health and safety measures that would allow for in-person at site ELPAC assessments to take place as well. Member Garcia said that the District will be receiving funds from the state for learning loss mitigation, including Saturday classes and summer school. She said this information is critically important in order for the District and Board to ueen p(e)4(d i)-2(f)-2( t)-2(hb6cu e)4(2(o c)4(ont)-2(r)-11S)-10(one)JTJ ition,(s)-1hbe onted that t82(he)4( D)2(i)-2(s)-1(t)-2(r)-1(i)-2(c)4(t)-2( i)-2asb rekvng thengwC and*
