II. DRIVING GOVERNANCE

As defined by Education Code Section §47607, a charter school shall meet one of the following criteria before receiving a charter renewal:

- 1) Attained its Academic Performance Index (API) growth target in the prior year or in two of the last three years, or in the aggregate for the prior three years;

Deputy Superintendent's Office

Approve Resolution No. 2947 2030: Renewal Charter Petition for
Sacramento New Technology High School
May 4, 2017

The Board of Education may deny a Renewal Petition if the charter school fails to meet the minimum standard for renewal, or if the Board of Education finds that:

- 1) The charter school presents an unsound educational program for students during the term of its renewal charter or
- 2) The charter school is demonstrably unlikely to successfully implement the plan set forth in the renewal petition or
- 3) The renewal petition does not contain the necessary affirmations; or
- 4) The Petition does not contain a declaration of whether or not the charter school shall be deemed the exclusive public employer of the employees of the charter school for purpose of Chapter 10.7 of Division 4 of Title 1 of the Government Code; or
- 5) Where changes to the charter school's operations are proposed, the Renewal Petition does not contain reasonably comprehensive descriptions of the required elements set forth in the Charter Schools Act.

If the Board of Education denies the renewal, the Board must adopt written findings of facts based on any of the above mentioned criteria or standards. In addition, the District "shall consider increases in pupil academic achievement for all groups of pupils served by the charter school as the most important factor in determining whether to grant a charter renewal." (Code §47607(a)(3)(A).)

A charter may be renewed an unlimited number of times, however, each renewal must be for exactly five years. (EC 47607). If a school district fails to make written factual findings to support a denial within 60 days of the district's receipt of a petition, the charter school's petition is automatically renewed. (Cal. Code Regs., tit. 5, §11966.4(c).)

VI. RESULTS

Based on the analysis described in this report, Sacramento City Unified School District Board of Education shall take action to approve either Resolution 2947 or 2930 for the Renewal Petition submitted by Sacramento New Technology High School under the California Charter Schools Act with due consideration to the factual findings in this report.
