

II. Daily for the third and fourth weeks of school:

- A. Please be certain that all attendance and enrollment data has been entered and updated daily. This data is analyzed daily and used to review class size, student placement needs and staffing considerations. If the data is inaccurate or not updated daily, staff may not be able to correctly respond to you and your students' needs.
- B. Please print and review the class enrollment numbers at your site and make any corrections to your enrollment counts and teacher names. The available report is located under *Index > CA State Reporting > Class Size Average (K-12) report* within Infinite Campus.
- C. It is imperative that you ensure all teachers have submitted attendance daily. This can be verified by running the **Classroom Monitor** daily. This function is located under *Index =>Attendance* section of Infinite Campus.

III. Attendance Reporting Reminders:

- A. Be sure to check for new registrations, assign them to classes, and enter any withdrawals daily by 5:00 p.m. so the district has the most accurate data for student placements and staffing. *The district cannot accurately adjust for under/over enrolled classes or provide the correct staffing without this critical data.*
- B. Input of attendance by Teachers into Infinite Campus fulfills the verification requirement. **Therefore; paper signature is not required of the Teachers – same as previous years.**
- C. **Useful Reports-Please run, review, and correct any issues, prior to submitting counts.**
