CONTRACTOR CERTIFICATION of COMPLIANCE

Fingerprinting: Education Code section 45125.1 provides that any contractor providing school site administrative or similar services to a school district must certify that employees who may come into contact with pupils have not been convicted of a serious or violent felony as defined by law. Those employees must be fingerprinted and the Department of Justice (DOJ) must report to the Contractor if they have been convicted of such felonies. No person convicted may be assigned to work under the contract. Depending on the totality of circumstances including (1) the length of time the employees will be on school grounds, (2) whether pupils will be in proximity of the site where the employees will be working and (3) whether the contractors will be working alone or with others, the District may determine that the employees will have only limited contact with pupils and neither fingerprinting nor certification is required.

The District has determined that section 45125.1 is applicable to this Agreement, and that the employees assigned to work at a school site under this Agreement will have only limited contact with pupils, provided the following conditions are met at all times:

1. Employees shall not come into contact with pupils or work in the proximity of pupils at any time except under the direct supervision of school district employees.
2. Employees shall use only restroom facilities reserved for District employees and shall not use student restrooms at any time.
3. Contractor will inform all employees who perform work at any school or District site of these conditions and require its employees, as a condition of employment, to adhere to them.
4. Contractor will immediately report to District any apparent violation of these conditions.
5. Contractor shall assume responsibility for enforcement of these conditions at all times during the term of this Agreement.

If, for any reason, the Contractor cannot adhere to the conditions stated above, the Contractor shall immediately so inform the District and shall assign only employees who have been fingerprinted and cleared for employment by the Department of Justice. In that case, the Contractor shall provide to the District the names of all employees assigned to perform work under this Agreement. Compliance with these conditions, or with the fingerprinting requirements, is a condition of this Agreement, and the District reserves the right to suspend or terminate the Agreement at any time for noncompliance.

ARTICLE 5. FINGERPRINTING REQUIREMENTS.

Education Code Section 45125.1 states that if employees of any contractor providing school site administrative or similar services may have any contact with any pupils, those employees shall be fingerprinted by the Department of Justice (DOJ) before entering the school site to determine that they have not been convicted of a serious or violent felony.

If the District determines that contact with students will occur during the performance of these services, Contractor will not perform services until all employees providing services have been fingerprinted by the DOJ and DOJ fingerprinting clearance certification has been provided to the District. Contractor will provide a complete list to the District of all employees cleared by the DOJ who will provide services under this contract. (how) rpripl o n t 4 9 (

Asphalt Repairs at Various School Sites

If the Contractor cannot adhere to the conditions stated above for any reason, Contractor shall immediately so inform the District and shall assign only employees who have been fingerprinted and cleared for employment by the Department of Justice. In that case, the Contractor shall provide to the District the names of all employees assigned to perform work under this Contract. Compliance with these conditions, or with the fingerprinting requirements, is a condition of this Contract, and the District reserves the right to suspend or terminate the Contract at any time for noncompliance.

ARTICLE 6. MUTUAL INDEMNIFICATION.

Each of the Parties shall defend, indemnify and hold harmless the other Party, its officers, agents and employees from any and all claims, liabilities and costs, for any damages, sickness, death, or injury to person(s) or p[(per)-0.10.5()T/t,

SERVICES AGREEMENT

Date: _____ Place: Sacramento, California

Parties: Sacramento City Unified School District, a political subdivision of the State of California, (hereinafter referred to as the "District"); and ***INSERT DATA HERE*** (hereinafter referred to as "Contractor").

Recitals:

A. The District is a public school district in the County of Sacramento, State of California, and has its administrative offices located at the Serna Center, 5735 47th Avenue, Sacramento, CA 95824.

B. The District desires to engage the services of the Contractor and to have said Contractor render services on the terms and conditions provided in this Agreement.

C. The contract is entered into pursuant to a competitive Request for Qualifications/Proposals (RFQ/P) solicitation under District RFQ/P #24-1102-1.

D. The complete contract includes all contract documents, including the RFQ/P and the attachments thereto, Fingerprinting Certificate, Insurance Policies, Scope of Work, this Agreement and all modifications and amendments thereto, and by this reference are incorporated herein. The contract documents are complementary, and what is called for by any one shall be as binding as if called for by all.

In consideration of the mutual promises contained herein, the parties agree as follows:

ARTICLE 1. SERVICES.

The Contractor hereby agrees to provide to the District the services as described below:

Minor Routine Repairs:

1. Repair or replace damaged asphalt as needed throughout the District.
2. All repairs are to be completed following District-specified requirements.
3. All materials are to be District-specified materials and equipment.
4. Protect repair area from site personnel and students.

Large Repairs includes above and the following:

1. Open areas left open overnight must be covered and fenced in.
2. Locate utilities before starting work at each site (if applicable).
