Agenda Item #	11.4
Comment:	<p>Even CONSIDERING changing the names of schools based on historical figures because you don't like them is IDIOTIC!!!</p> <p>YOU CAN'T CHANGE HISTORY, and American Indians killed thousands of white folks as well as vice versa!!!! This is short-sighted and ignoring historical facts and historical figures that hold a huge piece of our history, good or bad in your estimation, and should NOT BE SCRUBBED simply because of your simplistic and prejudiced viewpoints. ANYONE WHO SUPPORTS THIS IS simply brainless and falling for "political correctness" instead of fact and history!!!! You SHOULD BE ASHAMED!!!!!! I am a Vietnam Veteran and I did NOT FIGHT for you to try and hamper FREEDOM and free dissemination of the actual truth of history!!!!</p>
