Member Ryan welcomed Student Board Member Barry on behalf of the Board. She shared that she had the honor of speaking at the graduation of City Year. City Year is a program that takes young leaders from throughout the country and puts them through an intensive 11 month internship where they work with educators at high poverty schools. The sixty City Year students are remarkable young people and truly changing lives of Sacramento City Unified School District students. She also represented the District at the Fremont Studios ground breaking. This is a multi-year effort and partnership between the District and a variety of community groups and the City and County. The District is providing space and in exchange we receive benefits from the arts community. She also attended the AVID Summer Institute, a remarkable program that ensures that students have access to mentorships, study skills, and are put on a path to college and career. She also hosted a café y pan dulce with some community members and families surrounding the Maple Elementary School site to talk about their visions for utilizing that space.
