### V. Major Initiatives:

The school district must submit these waiver requests for current employees who continue to complete programs and move toward this authorization, as well as for newly hired employees who need to enter into an approved program. Having 100% of teachers qualified to teach English Language learners is essential to the district's success.

The following teachers will be able to continue in their current positions:

- x Scott Dawes – ROTC Teacher
- x Eric Salcedo – ROTC Teacher
- x Todd McPherson – Career and Technical Education Teacher
