Board of Education Executive Summary

Each year, the Sacramento City Unified School District (SCUSD) Board of Education holds a Public Hearing and adopts a resolution certifying that the allocation earmarked for instructional materials is expended in compliance with the Pupil Textbook and Instructional Materials Incentive Act. The resolution attests to the sufficiency of core textbooks/instructional materials for each student; as is required by the Williams Act. Additionally, the resolution certifies that materials in each core subject are consistent with the content and cycles of the curriculum framework adopted by the State Board of Education. If insufficiencies are noted, the Board must identify the plan to remedy said insufficiencies
