Recommendation: This is an information item only

Background/Rationale: Summer Programs are essential in preventing learning loss that happens during summer months when students are out of school. In addition, summer programs accelerate learning and provide enriching activities.

Financial Considerations: After School Education and Safety (ASES) grant, 21st Century Community Learning Centers (K-8) grant, 21st Century After School Safety and Enrichment for Teens (ASSETs) grant, and Expanded Learning Opportunities Program (ELOP) grant fund all summer matters programs including summer youth employment and youth leadership programs.

LCAP Goal(s):

Goal 2: Foundational Educational Experience with Equitable Opportunities for All Students.

Provide every SCUSD student an educational program with standards-aligned

Provide every student the specific academic, behavioral, social-emotional, and mental and physical health supports to meet their individual needs especially English Learners, Students with Disabilities, Foster Youth, Homeless Youth, African American students, American Indian or Alaska Native students, Hispanic/Latino students, Native Hawaiian or Pacific Islander students, and other student groups whose outcomes indicate the greatest need – so that all students can remain fully engaged in school and access core instruction.
