IV. GOALS, OBJECTIVES, AND MEASURES

The SCUSD Board of Education voted August 6, 2015 to reopen the Washington Elementary School and needs to establish the attendance area for the 2016 school year opening. To ensure that neighborhood students have priority for attendance, the original Washington Elementary attendance area will be reestablished. Students from outside this attendance area will be able to access entrance through the District's Open Enrollment process. Families from outside the District will request attendance through the Inter-District Permit Process.

Our goal is to provide families with as much advance notice as possible about the attendance areas for Washington Elementary School, and to have the information available for the Open Enrollment process for the 2016 year. Additionally, keeping siblings together at a school site remains a priority throughout the Attendance Area process.
