The academic vocabulary of historians...

???

The details of what I do in the real world.

The main idea of my discipline:

	Thinking and research skills most used: (analyze, judge with criteria, compare and contrast, cite resources)
???	Resources I will use in the real world: (internet, primary sources, journals, lab supplies..)
???	How will I present my research or share my work in an <i>authentic</i> way?
 Questions that historians ponder..in the real world: (Add key words to questions.)
