and Doug Huscher

August 4, 2011

This partnership is a collaboration between Sacramento Unified School District and City Year, which would launch a new, sustainable and scalable City Year program in Sacramento for the 2012-2013 school year with at least 50 well-trained diverse corps members serving at our priority schools.

- April 2011: Site visit to Oak Ridge Elementary School by City Year staff.
- May 2011: Presentation made to Priority School Principals.
- July 2011: Founding Committee secured \$500,000 in private funding.
- August 2011: Letter Of Intent and Board Presentation

LR, n=267; Based on start to end-of-year data from pilot programs in five sites, including: LA, RI, SA, SV/SV and NY, grades 6-9 (2009-2010); n=1,691; Based on data from 10 sites: CHI, CLE, COA, COH, LA, LRN, NY, SA, SV, WDC, grades 6-9; Data aggregated from 10 years of program implementation across levels as indicated. CA grades, reported as a percentage of total CA grades. All other data are reported as a percentage of total data.

# Learning Objectives

# Strategic Deployment of Information

essfully

In the average City Year market 25% schools

Students in high poverty school districts who successfully navigate grades 6 to 9 graduate from high school

# Highly Leveraged Funding Model

## A leveraged 2:1 investment

# Guidelines for New Site Development

Each new City Year site must be developed in a manner that:

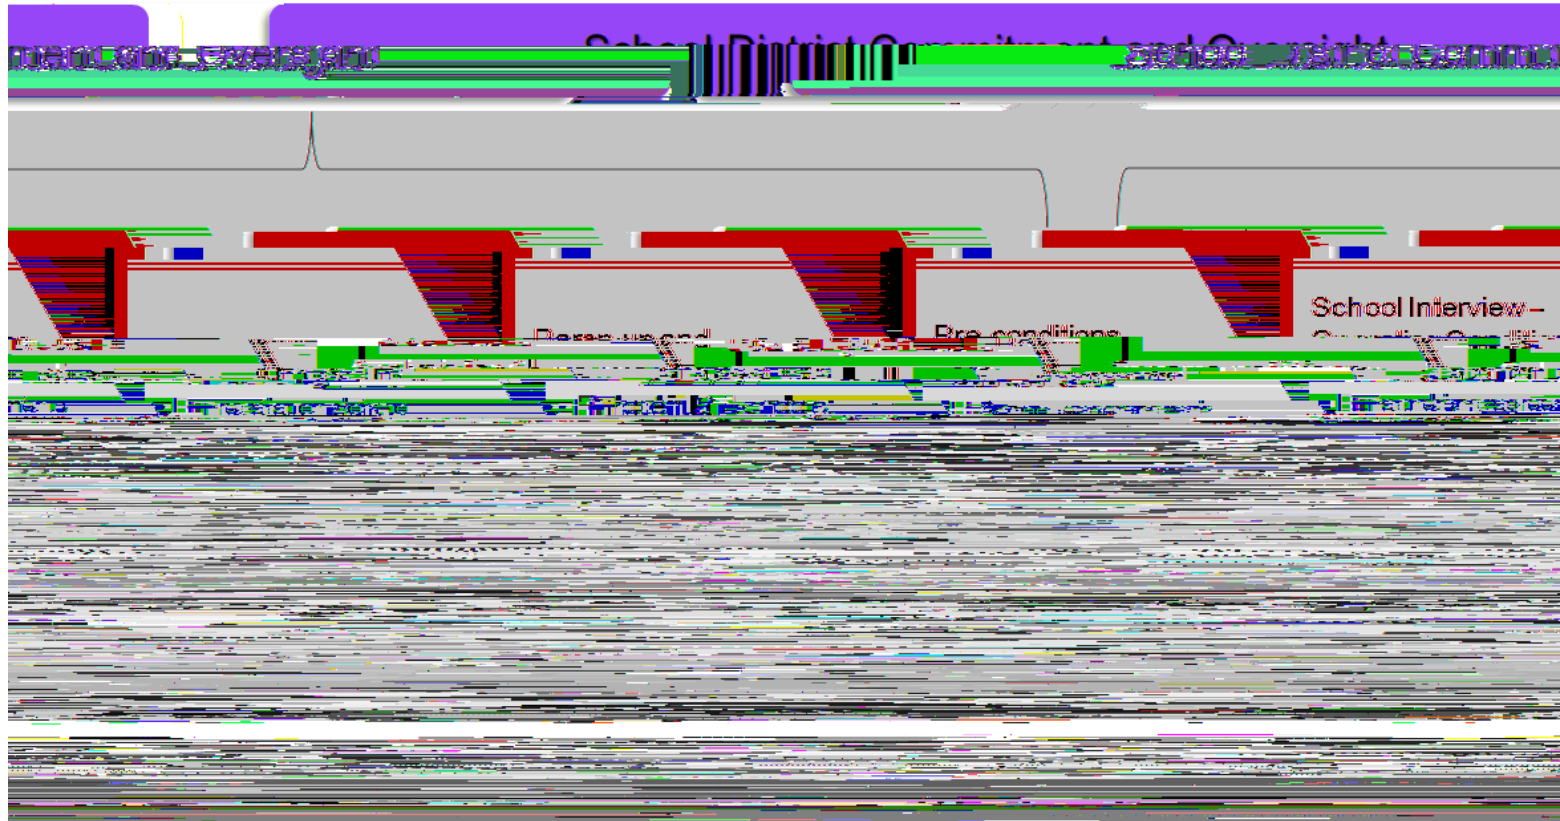

## Phase 1: Pre-Development

Lead Executive Director

## Phase 2: Development

- **Champion** to lead a successful start-up process
- **Challenge Grant** to leverage four years of funding for a site of at least 50 corps members
- **Board Chair** to lead the development of a Board of Directors
- **Local School District** support to at least \$100,000 per school-based team must be agreed upon
- **AmeriCorps Support** sufficient to field at least 50 corps members must be committed

# OPTIMIZING SCHOOL SITES WITH SCHOOL BUILDING

- Common Goals
- Scope of Work
- Program Delivery

- Reading Assessment
- Performance Validation
- Selection of students - Reading below Grade Level

- Assignment of City Year Core Members
- Progress Monitoring System
- Collaboration Time
- Professional Development
