INTERNET SERVICES

BY SARA FARAJ
JOHN F. KENNEDY HIGH SCHOOL

Having strong and reliable internet is crucial during distance learning. SCUSD understands that, and is prepared to provide students with these services. Sac City Kids Connect is a partnership with Comcast's Internet Essentials program to provide students with free internet for six months. For more information, or to request this service, visit this website(1). The only information you need is your name, contact, and Student ID Number. To access your Student ID Number, log into the Infinite Campus Portal() and view your profile.

Unfortunately, not all students are eligible for Comcast's services. For students who cannot access Comcast internet services, there are other options. Students can request a wifi hotspot from Xfinity, AT&T, or Consolidated Communications. This service is absolutely free and perfect for students who might be travelling between homes or for re

COVID-19 ETIQUETTE

BY ISA SHEIKH
THE MET SACRAMENTO

Is distance learning difficult? Do you want to return back to in-person classes?

Here's what that will take:

First and foremost, don't put yourself and others at harm. When you socialize or do business out of the house, please wear a mask and keep a physical distance. The recommended physical distance is a minimum of six feet.

It might not seem like that big of a deal when you have a face mask on.
