ADDENDUM NO. 1

Date September 7, 2016

Issued by: Sacramento City Unified School District

Project: Re-Location of Swimming Pool at Hiram Johnson High School

NOTES

TELL BR T[®] 5G COLOR LED LIGHTS

UNDERWATER LED LIGHTS FOR SWIMMING POOLS AND SPAS

PE R

IntelliBrite 5g Color LED Pool and Spa Lights

- **Superior lens geometry distributes light in an optimum way to avoid "hot spots" on the pool bottom. Light intensity and color are distributed more uniformly throughout your pool bottom** to increase intensity and color effects, while minimizing glare

IntelliBrite Lights automated color-changing pool and spa lights feature LED technology—the wave of the future in energy - efficiency, lifetime value, quality of light, and controllability. With IntelliBrite lights, combinations of colors and light effects are possible and controllable.

- **Pool lens can be rotated to 180 degrees to provide wide beam pattern (standard) or narrow beam pattern**

- **IntelliBrite LED light technology makes use of the brightest and most energy efficient LED technology available**

IntelliBrite Lights feature a vibrant spectrum of colors. These combinations are power sequenced to illuminate and cycle through colors at varying speeds, and in different sequences of color. Combined with a custom reflector and unique lens design, IntelliBrite Lights provide a wide range of light effects.

Ordering Information

Model	Beam Pattern	Color	Power
TELL BR T 5G	Wide	Blue	150W
TELL BR T 5G	Narrow	Blue	150W
TELL BR T 5G	Wide	Red	150W
TELL BR T 5G	Narrow	Red	150W
TELL BR T 5G	Wide	Green	150W
TELL BR T 5G	Narrow	Green	150W
TELL BR T 5G	Wide	White	150W
TELL BR T 5G	Narrow	White	150W

Note: All 120 volt pool and spa lights must be connected to a branch circuit protected by a ground fault circuit interrupter (GFCI).

Note: Underwriters Laboratories Limited Pentair Water Pool and Spa, Inc. lights for use with Pentair IntelliBrite LED light technology.

IntelliBrite Lights are the most energy efficient underwater LED light available.

INTELLIBRITE® 5G WHITE LED LIGHTS

UNDERWATER LED LIGHTS FOR SWIMMING POOLS AND SPAS

Featured Highlights

- **Energy efficient utilizing up to 86% less energy than comparable incandescent lights**
- **Available in 120V and 12V versions**
- **Available in 300W, 400W, and 500W Incandescent equivalencies**

IntelliBrite 5g White LED Pool Light

IntelliBrite 5g White LED light offers a brighter, more energy efficient alternative to incandescent white lighting. Utilizing its

All Pentair UL Listed underwater lights are certified for use in fresh water with up to 6,000 ppm salinity.
