

COVID-19 SITE WALK SAFETY PRECAUTIONS WILL BE ENFORCED:

Only one (1) representative from a company is allowed to attend a site-walk.

Prior to attending the site walk, all attendees must fill out the attached questionnaire for COVID-19 screening. Questionnaires will be collected immediately prior to the site walk.

All attendees will be required to wash or sanitize their hands prior to the start of the site walk. Hand sanitizer will be provided by the District.

No physical contact is allowed. This means, but is not limited to: handshaking, high-fives, elbow bumping or fist bumping.

Face coverings are required to be worn by all persons (District staff and visitors).

- These face coverings must cover one's nose and mouth.
- Do not touch your face covering until you remove it, and then wash/sanitize your hands.
